

FOREIGN EXCHANGE PROGRAM

Dear Academe Parents,

Thank you for your interest in the Foreign Exchange Program through Academe of the Oaks Waldorf High School. Enclosed is important information related to a possible exchange for your son or daughter. Please read all the documents carefully.

Please be aware that the school is acting simply as a conduit through which the exchange takes place. This means that the work of finding an exchange school, an exchange partner family, applying to the foreign school, and obtaining the documents to travel to and stay in the foreign country are the responsibility of the student and family.

By participating in the Foreign Exchange Program, you are making a commitment to host a foreign student in your home. These arrangements are made by you, and between you and the exchange partner's family.

After reading through the enclosed materials, if you have any further questions, please feel free to contact our Foreign Exchange Program Coordinator, Ms. Karma Sanchez, at 404-405-2173. Parents and students who have participated in this program in the past years can be available to answer your questions as well.

Sincerely,

Eva Handschin
