IMPORTANT – SCHOOLS PLEASE READ

The Atlanta Area Association of Independent Schools (AAAIS) has created common transcript release and evaluation forms that will make it easier for your school to aid us in our admission process. We suggest that a copy of the completed evaluation form be placed in the student's file. Please note that the English/language arts and math forms are to be completed by the student's **current teachers**. If more than one of the schools listed below is checked, you will be able to copy the forms in his/her file and mail them to the school. These forms are to be used for rising Grades 5 - 12.
