

ACADEME OF THE OAKS AT A GLANCE

2016–2017

OUR MISSION

Adolescents today are inheriting a world with multi-faceted challenges. To meet those challenges and solve ever more complex problems, our young men and women will need a strong sense of ethical responsibility, imagination, inner strength, diverse and deep knowledge, and the ability to work and communicate with each other in a global context.

At *Academe of the Oaks*, our mission is to redefine the high school experience by educating our students to be resourceful, clear, and flexible thinkers, capable of making profound and positive contributions to the fast-changing world they inherit.
