

ANNUAL DONOR REPORT 2022-23

Dear Friends,

At Academe of the Oaks, we believe in instilling confidence and motivating our students to achieve and succeed, personally and academically. We support all areas of child development, fostering an environment where students can thrive and embrace their full potential.

Thank you for being part of our Academe family! Your commitment to our shared mission inspires us to continue nurturing the next generation of empowered, confident, and compassionate individuals.

In the last year, our students engaged in unique experiences – from class trips to Maine, and Puerto Rico to inspiring senior internships. These opportunities are made possible by our dedicated community.

We want to express our deep gratitude to our Board of Trustees, Parent Council, chaperones, and generous local businesses. Your support enriches the Academe experience and makes it accessible to more students through scholarships.

Your annual fund contributions are crucial in shaping our exceptional programs. Together, we create a vibrant learning environment that prepares our students to be future leaders.

Thank you for being part of our journey. Your continued support inspires us.

With gratitude,

School Director

FIREBIRD SOCIETY

Leadership giving at Academe of the Oaks honors donors who make an Annual Fund gift of \$1000 or more. Donors are invited to an annual event recognizing their leadership.

“Academe gave me the foundation and an immense sense of communal support! I felt seen, supported, and challenged.

The high expectations at Academe, which were individualized to each student, definitely helped me excel in college, working as a Wilderness Therapist for middle schoolers, and receiving my MS in Clinical Mental Health Counseling.”

-Julia Ruff, Class of 2010

BEYOND THE CLASSROOM: 10TH GRADE CLASS TRIP

Our 10th-grade students recently embarked on a captivating adventure into the Blackwater Cypress Swamp, a mesmerizing ecosystem filled with natural wonders.

Surrounded by breathtaking landscapes and diverse wildlife, they delved into this unique environment, forging a deeper connection with the world around them. We extend our heartfelt thanks to our dedicated faculty for organizing this enriching experience.

At Academe of the Oaks, we believe that learning extends far beyond the confines of a classroom, and experiences like the Blackwater Cypress Swamp excursion exemplify this philosophy.

SENIOR RECOGNIZED IN ATLANTA INTOWN'S 20 UNDER 20

We are delighted to celebrate Naomi Stinett, a standout senior for her recent recognition in Atlanta Intown's 20 Under 20. This prestigious accolade acknowledges young individuals making a significant impact in their community, and Naomi's dedication is truly commendable.

Naomi's commitment to community service has shaped her into a confident leader, equipped with the knowledge of how to better serve her community. She understands that leadership involves setting a positive example and inspiring others to become leaders themselves. Congratulations, Naomi, on this well-deserved recognition!

Tax Credit Scholarship Program

The Tax Credit Scholarship Program allows individuals and businesses that pay Georgia state income taxes to make a contribution towards scholarships at Academe and receive a dollar-for-dollar tax credit.

“One of the best moments was graduating with lifelong friends and knowing that we could always look back and call Academe of the Oaks our home away from home.”
